Massive Saving **\$2950** of FREE options

The **Pioneer Mitchell Platinum** makes a clear announcement regarding Pioneer Campers and Trakmaster Caravans dedication to Premium, Quality Australian Made Off-Road Campers and Caravans.

Pioneer and Trakmaster have a combined history of over 40 years in Australian Made Leisure vehicles for traversing our great Australian outback. The Mitchell Platinum builds on this history and highlights how you can take the path less travelled, be completely self-sufficient, relax in style and sleep in comfort in a Pioneer Mitchell.

With a genuine 2 minute one person setup the Mitchell will take the frustrations out of your camping experience and give you time to relax.

See us at our HO in Bayswater or one of our dealers in SA & WA for a full demonstration.
